

愛知県高潮浸水想定区域図

東海市 038

A scale bar at the bottom of the figure showing distances of 0, 50, and 100 meters. The bar consists of three segments: a black segment from 0 to 50 m, a white segment from 50 to 100 m, and another black segment from 100 m to the end. The letter 'm' is placed at the far right end of the bar.
