

Let's go to the Japanese language class!

Voice

Everyone will get along with one another.

There is also this kind of class.

It's okay to just participate online for 30 minutes.

More and more people are studying Japanese language to be able to find good job.

Hello Work (Employment Service Office) Mr. Tanaka

You can also consult if you have any problem.

It's okay if you are busy or far away!

Kid's class!

Adult class!

Parent and child class!

I learned a lot from Japanese language class and became confident. I don't need interpreter anymore.

Ms. Mayumi (Brazilian)

It's okay if you miss some classes!
